

# **STOP THE PLAN DEMIC**

**There is a new virus in Faversham. The spread of 5000 houses across our small town will destroy our environment, break our infrastructure and kill our culture.**

**We have one week to lobby our councillors from fast tracking multiple mass housing estate plans without due consultation with the community.**

**It's time for us to take action.**

**Farms,  
Fields &  
Fresh Air**
