

# No more mass housing estates.

Nearly 17,000 more houses are to be built on our fruitbelt & greenfields in Faversham and Swale alone. We are losing our farms and nature at a terrifying rate across the country. At our peril if we do nothing to stop it.

---

## Help stop it.

Join us on our **Protest Walk, 28/11/21 @ Macknade Food Hall at 1pm.**

Organised by 'Save Kent's Green Spaces'. There will be photos shared with media to show strength of feeling about the loss of 1000s of acres of farmland across Kent.

**Contact your local councillor.**

WATLING WARD:

Eddie Thomas, Faversham Town Council  
([eddie.thomas@favershamtowncouncil.gov.uk](mailto:eddie.thomas@favershamtowncouncil.gov.uk))

Swale Borough Council, Planning Committee, Tim Gibson, Chair ([TimGibson@swale.gov.uk](mailto:TimGibson@swale.gov.uk))

Faversham Town Council, Planning Sub-Committee  
([john.irwin@favershamtowncouncil.gov.uk](mailto:john.irwin@favershamtowncouncil.gov.uk))

We need everyone's objections - to Swale Borough Council's Local (Housing) Plan - tell them to cut their housing targets and NO MORE greenfields building - it is breaking the carbon zero mandate by building on our carbon sinks - and creating food insecurity by building on our food producing land. Brownfield building only.

**Only open until 29th November 2021.**
