

SAVE FAVERSHAM STOP MASS HOUSING

Nearly 17,000 more houses are planned on our fruitbelt & greenfields. We are losing our farms and nature at a terrifying rate across the country.

Join local protest group, FFF, sign the national petition AND object to Swale Local (housing) plan.

We have **ONE WEEK** to save Faversham & villages from brutal developer destruction.

**Farms,
Fields &
Fresh Air**
